

Please Donate!

**Cheltenham
Police Athletic League**

- **You** will be the reason for the success of the Cheltenham PAL, a non-profit, community supported program.
- You are the backbone of our community, and will make a difference.
- We, the police officers, and PAL volunteers, **NEED** your support!
- **But most of all, the youth of our community deserve this opportunity to be part of something new, and very special!**

Very simply, this organization shall exist in order to conduct activities to promote the partnership between the participating Cheltenham Police Department members and the youth of the community.

This is your opportunity to “get involved,” and support the youth of our community...

To make a donation, **please make your check payable to:**
